Autodesk 3ds Max 2020 Full Activation Number with Serial Key Click on download/install, wait until it gets completed. Q: ResourceBundle.getBundle() is always returning a null value I've imported a JAR file to my project, but no matter what I do I can't get the ResourceBundle working. Here is my code: private static final ResourceBundle RESOURCES_BUNDLE = ResourceBundle.getBundle("properties/resources.properties"); This is in a class that's called by onCreate(). When I try to access the resource I keep getting String s = res.getString("key"); java.lang.NullPointerException Res is always null. What am I doing wrong? A: I don't think you need to use getBundle(); that is calling the class loader to find the resource. This should work: ResourceBundle res f678ea9f9e
